

BOURN AIRFIELD

We're inviting you to Bourn Airfield's Open Day.

This event marks the culmination of months of work by the project team, including archaeological surveys, excavation, design development and analysis carried out by planners, landscape architects, engineers and archaeologists.

As the vision for Bourn Airfield continues to take shape, we want to share our emerging vision with local residents and the wider community and receive input. Barratt Redrow will also present early proposals for the first phase of development at Bourn Airfield and invite community feedback.

Surrounding communities have a strong connection to the airfield; we want our work to deepen this connection. Our Open Day will also provide the opportunity to share fascinating stories uncovered beneath Bourn Airfield, as well as how they are shaping the site's future.

Discover Bourn Airfield
on Sunday 7 June 2026,
11:00 to 15:00

What to expect

The Open Day is an opportunity to discover Bourn Airfield's long history and explore its future:

Join guided walks taking place every 30 mins led by archaeologists from Oxford Archaeology

See a selection of artefacts uncovered during excavations

Hear expert insights into how people lived on this land over time

View plans for the vision for 5 neighbourhoods across Bourn Airfield

Explore plans for the first 500 homes at Bourn Airfield

Feedback to the project team

Location

Meeting point: Broadway, Bourn, Cambridge, CB23 2TA

Our vision for the future of Bourn Airfield

We're committed to keeping the community at the heart of Bourn Airfield's future. Our vision is for 5 distinct neighbourhoods in the development each with their own unique character.

Our ethos

A place made with a strong relationship to nature, shaped by green and open spaces

A distinct sense of identity, informed by heritage and the communities that came before, integrating sensitively with the surrounding countryside

A strong new community, sociable and caring, with spaces and connections that support everyone

Your feedback will help shape a place that reflects the site's heritage and supports a strong sense of community and togetherness.

Barratt Redrow to present plans for 500 homes

Barratt Redrow will be sharing early ideas for the first phase of around 500 new homes on 7 June 2026 at the Bourn Airfield Open Day. This is an opportunity to explore the proposals, meet the team and help shape the plans before a planning application is submitted to South Cambridgeshire District Council later this year.

Your feedback will play an important role in shaping this first phase – and the future of Bourn Airfield.

If you can't attend, you can still take part online. View Barratt Redrow's proposals and provide feedback by visiting: barratt-bournairfield.consultationonline.co.uk between 7 June – 22 June 2026.

Our vision

Sustainable, low-carbon living

Walkable, landscaped streets and connected neighbourhoods

Attractive, high-quality design

Safe and welcoming spaces

Green spaces that support nature and promote biodiversity

Any questions?

If you have any questions or queries about this event or Bourn Airfield, you can email feedback@consultation-online.co.uk or call the phoneline on **0808 303 0698**.
